Dundurn Group Ltd, Canada, 2014. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book. More tales of family fun and run-ins with nature at the cottage. In the sequel to Cottage Daze, James Ross is back with more tales from the family cottage. Organized by nature s changing seasons and containing sections covering nature, family, activity, and the cottage, Ross combines wry humour with a genuine love for adventure and respect for the natural world although the local wild animal population can try his patience. Ross s anecdotes are full of good spirits and sound advice, whether he is describing a visit from his daughter s special friend (The Boyfriend Cometh), the tricky practices of boating (Dressing Up for Kayaking), or encounters with wildlife both big and small (The Frog Whisperer). This book is the perfect companion to the time-honoured tradition of wilderness family getaways.
