Did the new wear off as soon as the wedding bells rang? Experts say that we gravitate toward relationships within a ten-point spread of our own IQ. Likewise, in the realm of soul-health, we also attract those with whom we are most emotionally compatible. That can be a good thing, or a bad thing - it depends on how much baggage we carry around! What if there was a way to diagnose your soul-health and create a plan for improvement so you could enjoy more satisfying romantic relationships? Complete with an online Soul-Health Profile that will help you assess your own soul-health and identify areas of weaknesses, Love Junkies is just that - an action plan and detailed guide to help you eliminate toxic behaviors that jeopardize your soul health and keep you stuck in unhealthy relationships.
