

Nemesis Circle

By Emerson Cole

Hardback. Book Condition: New. Not Signed; A Western European based BioGenetic Laboratory announces a revolutionary longevity drug with recuperative powers for degenerative diseases including Alzheimer's sufferers. And an Eastern European newspaper announces that a number of orphanages have been bizarrely emptied by a philanthropic Pied Piper. Connor Brock is on a routine visit when the naked body of the person he is meeting smashes on to his sidewalk table. Unavoidably embroiled with a deeply malignant syndicate, Brock follows a trail of sheer malevolence along the 3000km length of the Danube and across the Cities of Europe. The shocking truth he uncovers - driven by multibillion dollar demand - involves leading scientists, major industrialists and private clinics around the world. Combining breath-holding suspense with disturbing reality, Nemesis Circle provides the answer to a medieval riddle and reveals the unavoidable consequences of inhumane profiteering. book.
