RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 56 pages. Original publisher: Washington, D. C. : U. S. Government Accountability Office, 2005 OCLC Number: (OCoLC)61743004 Subject: Government productivity -- United States -- Evaluation. Excerpt: . . . prospective analyses of a regulations or programs benefits and costs are based on projections of likely future impact, the estimates might vary significantly from actual effects. Variation can occur on either the cost or benefit side of analysis. For example, one participant pointed out that it has A retrospective review of the Occupational been shown that some prospective analyses have overstated costs and Safety and Health Administration (OSHA) understated benefits, while others have done the reverse. scaffold standards indicated that while still positive, the programs actual benefits were significantly less than the agency Some participants also mentioned the use of economic performance estimated when the rules were proposed. The programs annual net benefit was measures for new areas of federal action, such as homeland security. They projected at 204 million before indicated that regulations the Department of Homeland Security is implementation; retrospectively, annual benefit was estimated at 63 million. developing present additional challenges for analyzing risk and Retrospective analysis can be useful to uncertainties associated with terrorist activities. In addition, a number of decision makers by providing information regulations are being proposed for homeland security without an on whether a program has the potential to produce additional benefits or whether the assessment of whether the proposals estimated benefits justify their benefits produced justify the costs. estimated costs. One participant suggested that requiring an economic assessment for proposed homeland security regulations would be useful. Another responded that such a requirement raises the question of how to estimate the probability of future terrorist attacks or how to determine i....
